

# PURE VEGAN SHAKE

Vegan nutritional shake mix supporting  
healthy living and an active lifestyle

# EQ PURE VEGAN SHAKE

EQ Pure Vegan Shake is a unique full meal replacement that consists of 100% plant protein and provides 128 kcal per serving. The product is exclusively made from pea protein isolate mixed with rice protein, quinoa flour and Baobab powder. The blend is complemented by natural vanilla flavour and contains 51% high-quality vegan protein (20,37 g per meal), BCAA (branched chain amino acids), 6 vitamins and minerals, complex carbohydrates with a low GI, fibre and essential fatty acids.

A complete meal is a meal that provides all the right nutrients to all the different types of cells in the human body in precisely the correct measurements. It should always contain 4 factors: proteins, carbohydrates, fats and vitamins.

EQ Pure Vegan Shake has significant advantages over ALL well-known vegan meal replacements available on the market today. One of the main differences is the percentage of protein and the amount of sugar. EQ Pure Vegan Shake contains 51% protein and is naturally sweetened with extracts from the Stevia plant.

## HIGH-QUALITY PLANT PROTEIN

We have used only high-quality plant protein with the highest biological value - a mixture of pea protein isolate, added rice protein and quinoa flour, as these cover some beneficial effects that pea does not supply. The optimal

composition that ensures a steady supply of amino acids throughout a more extended period and simultaneously provides you with nutritious plant proteins with antioxidant properties that promote muscle recovery after exercise..

## EQ PURE VEGAN SHAKE IS:
